Fundraiser to benefit newly expanded Montcalm Area Community Dental Clinic

STANTON~ The fifth annual “Night at the Theatre” fundraiser to benefit the Healthy Smiles Endowment Fund will be held on Thursday, August 6 at the Greenville Area Community Center (GACC) from 5:30 p.m. to 9:30 p.m.

The Healthy Smiles Endowment Fund supports the newly expanded Montcalm Area Community Dental Clinic in Sidney, which serves low-income and Medicaid patients, 80% of whom are children. The endowment also supports oral health initiatives for youth in Montcalm County.

Attendees will enjoy hors d’oeuvres and refreshments donated by local restaurants, have an opportunity to bid on numerous silent auction items and see the 1973 classic film **‘American Graffiti,’** starring Richard Dreyfuss and Ron Howard on the big screen.

The entire community is invited to attend this fun and unique event. To purchase tickets or to inquire about ticket availability at the door, contact the Mid-Michigan District Health Department (MMDHD) in Stanton by calling (989) 831-3669. Tickets are still just \$15.

For more information call (989) 831-3669 or visit www.mmdhd.org.
