Mid-Michigan District Health Department celebrates Public Health Week

St. Johns~ The Mid-Michigan District Health Department (MMDHD), with branch offices in Ithaca, Stanton and St. Johns, is joining Michigan in celebrating Public Health Week April 6-12.

This year's theme, "Building the Foundation for a Healthy America," focuses on the critical role public health must play as we focus our efforts on improving our nation's health.

MMDHD would like to take the opportunity to highlight some of the services provided to the residents in the three county district.
