Night at the Theatre fundraiser a success

Stanton~ The fifth annual “Night at the Theatre” fundraiser, which was held on August 6 at the Greenville Area Community Center, raised \$2,497.00 to benefit the Montcalm Healthy Smiles Endowment Fund and the newly expanded Montcalm Area Community Dental Clinic. The Dental Clinic is located within the Montcalm Area Career Center in Sidney and serves Medicaid eligible children and adults residing in Montcalm County.

Thanks to the generous support of event sponsors Chemical Bank, Commercial Bank, Isabella Bank, Montcalm Public Employees Credit Union and Sidney State Bank, all proceeds will go directly to the Healthy Smiles Endowment Fund. Fundraiser coordinators would also like to thank Rustic Floral of Stanton for its donation of flowers and Meijer for the gift card.

“A Night at the Theatre is a fun and unique way to help raise funds for a very worthwhile cause,” said Kimberly Singh, Health Officer for the Mid-Michigan District Health Department. “So many people look forward to this fundraiser year after year. We’d like them all to know that we truly appreciate their support.”

Guests had an opportunity to bid on seventy-seven silent auction items donated by area individuals and businesses with the highlight of the evening being the showing of the 1973 classic film “American Graffiti,” starring Richard Dreyfuss and Ron Howard.

Guests also sampled horsd’oeuvres donated by Clifford Lake Inn of Stanton, Down Home Family Restaurant of Greenville, Huckleberry’s of Greenville, Litwiller Catering of Perrinton, Main Street Deli of Stanton and Rusty Nail of Carson City. Leppinks of Lakeview donated a beautiful “American Graffiti”- themed cake.

Donations to the Healthy Smiles Endowment Fund are accepted year-round. Checks can be made payable to “MMDHD” and mailed to Mid-Michigan District Health Department, C/O Healthy Smiles, 615 N. State Street, Stanton, MI 48888.
