## **Mid-Michigan District Health Department EARN Award winners announced**

Stanton- Each quarter, Mid-Michigan District Health Department (MMDHD) employees nominate co-workers who they feel go the extra mile and who are deserving of the Employees Achieving Recognized Notability (EARN) award.

Congratulations to Dawn Wadle, Financial Specialist, located in the Stanton Office, for being chosen as the winner for the fourth quarter 2009/2010. Staff describe Dawn as a team-player, someone who even adjusted her own schedule to assist with a co-worker's duties while that co-worker was on medical leave. She is also said to have a positive attitude, and to be encouraging, patient and understanding when training new staff. Co-workers describe her as being an asset to the agency and a wonderful co-worker.

Congratulations also to Ruby Suarez, Public Health Representative I, located in the Stanton Office, for being chosen as the first quarter winner 2010/2011. According to staff, she is doing an amazing job in her new purchasing position. Her co-workers greatly appreciate how quickly orders are placed and received, commenting that she is quick and efficient, always smiling, good natured, and a joy to work with.

MMDHD would like to express its gratitude to Dawn and Ruby for going the extra mile and for a job well done! Keep up the good work ladies!

Left to right: Dawn Wadle, Melissa Bowerman (Supervisor), and Ruby Suarez

*Mid-Michigan District Health Department serves the residents of Clinton, Gratiot and Montcalm Counties.*
