## **Healthy Montcalm Announces Logo Contest**

Stanton- Healthy Montcalm, a new county-wide initiative, invites Montcalm County residents to design and submit a logo to promote a healthy, active community and be eligible to win a \$100 Visa gift card.

Healthy Montcalm is a collaborative effort of local community leaders whose purpose is to assess and identify the health needs of Montcalm County residents. The ultimate goal of the group is to establish a Rural Health Network, which will direct future projects aimed at improving community health.

The design should incorporate the name "Healthy Montcalm," and reflect the initiative's vision statement, which is "Montcalm County is an empowered community where people are engaged in leading healthy, active lives." The winning logo will be used on future promotional materials for the initiative. All entries are due by Monday, August 1, 2011 at 5:00 p.m. and should be mailed to: Ross Pope, Mid-Michigan District Health Department, 615 N. State Street, Stanton, MI 48888, or e-mailed to [rpope@mmdhd.org](mailto:rpope@mmdhd.org).
