

The Family Planning
Staff Are
Committed To:

- ♥ Providing Confidential Services
- ♥ Giving Quality Care
- ♥ Taking Time to Listen
- ♥ Answering Your Questions
- ♥ Addressing Your Needs

If you have concerns about
reproduction, a nurse practitioner
is a health care provider who
can assist in your health
needs and choices.

CONFIDENTIALITY

We take time to talk with you,
in a relaxed, private setting
about your needs and concerns.
All information is strictly
confidential..

The Family Planning Program is funded by the
Michigan Department of Community Health,
the Mid-Michigan District Health Department
and Federal Title X Funds.

FAMILY PLANNING SERVICES

It is important to us that you can find affordable, quality care you can feel good about. That's why our family planning services are for anyone. **No one is denied service due to inability to pay.** You do not need to be a resident of Clinton, Gratiot or Montcalm Counties.

Fees are based on a sliding scale and payment is requested at the time of your visit.

Donations are needed.

EXAMS

First time and yearly exams are provided by the nurse practitioners.

Appointments are necessary.

BIRTH CONTROL/EDUCATION

Education is an important part in helping you make a choice about birth control. We will help you learn more about your body and the methods of birth control you choose. Methods that you can choose from are:

- ◆ **Abstinence (NO sex)**
- ◆ **Condoms**
- ◆ **Spermicide**
- ◆ **Diaphragm**
- ◆ **Vaginal Ring**
- ◆ **IUD/IUS**
- ◆ **Ortho Evra (Patch)**
- ◆ **Depo-Provera (Shot)**
- ◆ **Birth Control Pills**
- ◆ **Natural Family Planning**
- ◆ **Emergency Contraception**
- ◆ **Others options may be available**

Choose what is right for you!

PREGNANCY TESTING

Pregnancy testing results, as with all other family planning information, are highly confidential and will only be given to you in person.

Referrals can be made for additional services as needed.

SEXUALLY TRANSMITTED INFECTION TESTING

Male and female testing and treatment of sexually transmitted infections is also available. HIV testing is available and can be confidential or anonymous.
