FOR IMMEDIATE RELEASE: 12-21-17

Family planning services offered in Shiawassee County

Ithaca, Stanton, St. Johns- Mid-Michigan District Health Department is partnering with Shiawassee County Health Department to offer family planning services to area residents, starting January 11, 2018.

Family planning services will be provided by Mid-Michigan District Health Department's nurse practitioner at Shiawassee County Health Department, located at 110 E. Mack Street in Corunna.

Family Planning services include abstinence education, birth control, pregnancy testing, pap smears, pelvic exams, breast exams, blood testing, yearly physicals, and confidential and anonymous sexually transmitted infection testing/treatment. A variety of insurance plans are accepted. For those without insurance, the total charge is based on income and ability to pay. No one will be denied services.

Please call 989-224-2195 for more information or to make an appointment.

Mid-Michigan District Health Department serves the residents of Clinton, Gratiot and Montcalm Counties.
