Montcalm County dog amnesty underway today through Aug. 31

Questions remain about animal control enforcement

STANTON — A dog license amnesty program begins today through the end of August for Montcalm County dog owners.

The Montcalm County Board of Commissioners last Monday approved the Law Enforcement & Court Committee’s recommendation from July 10 to approve an amnesty period for dog licenses from Aug. 1-31, to be followed by a dog census with the time frame and enforcement details yet to be determined.

The amnesty and census are an effort to generate some revenue for the financially strapped county while also attempting to encourage dog owners to update canine rabies vaccinations as a health and safety issue.
