Exhibit A
Employment Contract

Primary Goal: Maintaining Minimum Program Requirements (MPR) as set forth by the Michigan Department of Agriculture and Rural Development for the Mid-Michigan District Health Department's (MMDHD) Food Safety Program while providing excellent customer service.

Specifics/Deliverables

Duties:

1. **Routine Food Service Inspections.** Routine food service inspections performed in accordance to Michigan Department of Agriculture and Rural Development's (MDARD) MPR. Inspections would be assigned by MMDHD with the intent and requirement of the inspections being performed within MPR required frequencies.

2. **Follow-up Food Service Inspections.** Follow-up food service inspections performed in accordance to MDARD's MPR. Inspections would be assigned by MMDHD with the intent and requirement of the inspections being performed within MPR required frequencies.

3. **Equipment.** The employee will be issued equipment for use in the field which remains the property of MMDHD. The format for the inspections will be determined by MMDHD; however, the priority/preference of format will be the Hedgehog Software, followed by the Sword Software, and lastly, written State-approved forms.

Term:

1. The term of this agreement is from ________________ until September 30, 2017.

Compensation:

1. The rate of compensation will be a flat reimbursement of $200 per routine inspection performed and $125 per follow-up inspection performed. An inspection is considered performed once the electronic inspection data is uploaded to the MMDHD servers, or in the case of a paper format, when the inspection is entered into the electronic inventory by MMDHD.

2. The employee shall submit a monthly invoice detailing work performed to MMDHD.

3. MMDHD does not authorize the employee to perform work at a rate that would exceed 30 hours per week and in no case is an employee authorized to perform work at a rate that would qualify for overtime compensation.
