Health Department announces ACE Award winner

ACE Award winner Adam Byrne, Environmental Health Specialist

Stanton- The Mid-Michigan District Health Department (MMDHD) is pleased to announce that Adam Byrne, Environmental Health Specialist, recently received the ACE (*Achievement, Character, Excellence*) Award for the period July - September 2019.

ACE Award recipients are chosen by their colleagues and demonstrate achievement, character and excellence in all they do at MMDHD.

Byrne's co-workers nominated him for the award for several reasons. They said Adam has amazing customer service skills and interacts incredibly well

with clients. He is friendly and professional and always takes the time to explain why rules and regulations are in place in a way that is easily understood. He is also a valued member of the Work Force Development Team.

Mid-Michigan District Health Department congratulates Byrne for winning the ACE Award and thanks him for his dedicated service to public health.
