

# Michigan Department of Health and Human Services (MDHHS) **CORONAVIRUS (COVID-19) HOTLINE**

Public Health officials will answer health-related questions about COVID-19. They cannot provide individual clinical advice or diagnose through the hotline. If you think you've been exposed to COVID-19 and have symptoms (fever, cough, shortness of breath), call your doctor.

Call MDHHS

**1-888-535-6136**

seven days a week from 8 a.m. to 5 p.m.
