COVID-19 phone scam

Ithaca, Stanton, St. Johns- Mid-Michigan District Health Department (MMDHD) has learned of scam related to Coronavirus (COVID-19).

Some Michiganders have received phone calls from someone claiming to be a nurse following up on recent COVID-19 test results. They are told that they tested positive for COVID-19 and they need to provide their credit card information in order to have antibiotics shipped to them.

This is a scam. If a nurse calls with test results of any kind, she/he will never ask for credit card information. Also, antibiotics are not used to treat COVID-19.

Please visit www.michigan.gov/coronavirus for up-to-date information on Coronavirus (COVID-19).
