

Due to the COVID-19 pandemic, Mid-Michigan District Health Department is restricting access to our buildings, in an effort to protect clients and staff.

We will have a limited number of staff in our buildings and will continue to offer some services. Please call the appropriate number below to speak with a member of our staff to determine if we can serve you. We may be assisting other clients when you call, so if no one picks up, please try again.

ENVIRONMENTAL HEALTH SERVICES
