DIRECTOR

February 1, 2023

To Our Valued WIC Families,

We know the Abbott Similac recall and formula shortage has made formula feeding difficult for many of you since February 2022.

Similac formula products (Similac Advance, Similac Sensitive, Similac Total Comfort, and Similac Soy Isomil) are making their way back on to store shelves. Stores are now able to order them and keep them in stock.

Starting March 1, 2023, Michigan WIC will only offer Similac brand formulas.

If your formula benefits show **INFANT FORMULA PWD OR SIMILAC INFANT FORMULA PWD (powder)**, you will need to choose one of the following Similac brand formulas:

- Similac Advance
- Similac Sensitive
- Similac Total Comfort
- Similac Soy Isomil

Abbott no longer makes Similac for Spit Up. The Michigan WIC Program will continue to offer Enfamil AR for clients who need this formula. Please have your child's health care provider complete a DCH-1326 Michigan Special Formula/Food Request form, available at <https://www.michigan.gov/mdhhs/assistance-programs/wic/medicalproviders>. This form will be required after February 28, 2023.

For frequently asked questions and to view Similac powder formula options, please visit the Michigan WIC website (QR CODE).

Thank you,

Michigan WIC Division
