D. Pohl made a motion and S. Sopocy supported accepting and placing the medical director's report on file. Motion Carried.

G. HEALTH OFFICER'S REPORT: Mari E. (Liz) Braddock

1. Report

L. Braddock spoke on the seasonal programs that Environmental Health currently have underway. Mosquito surveillance and tick dragging are two programs being performed this summer both are funded by a MDHHS grant. The third program is bathing beach monitoring, this program is funded by a grant from MEGLE. Information about these programs can be found on the MMDHD website.

She also noted a flyer that was included in the board packet containing a survey for Montcalm. MMDHD is assisting Corewell Health with their Community Health Needs Assessment and the results from this survey will assist in identifying the services needed for the community. Hospitals are required to complete the community health needs assessment every three years and they reach out to MMDHD for assistance.

2. 2023 Annual Report Draft

L. Braddock presented the draft of the annual report – She noted the report will be available virtually. It will be released in the next couple weeks to the communities if the board approves the report today.

Motion made by B. DeLong seconded by D. Pohl to approve the 2023 Annual Report. Motion carried.

3. Agreements Signed, May 19 – June 17, 2024

L. Braddock told the board the agreements signed this month were due to the name of the hospital changing, the agreement had already been in place we have just updated the name.

Motion made by B. DeLong supported by S. Sopocy to accept the health officer's report and place on file. Motion carried.

H. OLD BUSINESS:

1. Statewide Septic Code

L. Smith said he learned last week a fourth draft has been presented, the majority of health departments have not seen the fourth draft, including MMDHD. At this time the fifth draft is being worked on.

I. NEW BUSINESS: -

1. Emerging Issues –

Heavy Metals Testing- Wheeler

L. Smith said we have been contacted by MDHHS that there will be some sampling for heavy metals in Wheeler. MMDHD is one of twelve health departments in the state that are being sampled. MMDHD provided 83 addresses around the Wheeler area to test the water, MDHHS will be reaching out to some of these citizens about testing.
