

# FREE DIAPERS

United Way of Greater Central Michigan participates in a grant funded diaper bank program in partnership with EightCAP and The Diaper Alliance. Our diaper bank program serves residents of Gratiot, Isabella, Montcalm, and Ionia counties by providing free baby diapers, wipes, diapering supplies, as well as adult incontinence products.

Families must meet low-income criteria (200% FPL) or be enrolled in assistance programs such as SNAP, DHHS, Weatherization Housing, Assistance, or SSI.

Please review our diaper distribution calendar and schedule your diaper pick-up at [unitedwaygcm.org/diaper-bank](http://unitedwaygcm.org/diaper-bank) or scan the QR code below!
